No Brakes

No Brakes

>"Lay awake,
I don't give a shit,
>If I even ever wake up in the morning,
Down below,
>There's a pile of sin,
Just a waiting for a waiting for a
warning!"
>
Wing Zero and Tallgeese race against each other in space, locked
in a close battle. The heat of the blades is making both pilots
sweat.
>
"Burned at the stake,
>Inside I'm blisterin',
Not a whisper,
>Looking in, you'd never know it,"

>Tallgeese's pilot has beads of sweat trickling down his face. He
blinks several out of his eyes to withstand the pain, desperately
trying to stay alive.

>"Miles below,
I look up again,
>When you snap they say,
Before you ever show it,"
>
The Wing Zero goes into many complex moves with the sword,
finishing it with an unexpected gun fire, blowing a hole through one
of the Tallgeese's legs.
>
"Someone said it's alright,
>Save it now, don't say it for my sake,
Someone said it's alright,

>Faster now, you know I got no brakes,
No Brakes,
>No Brakes,
No Brakes,"
>
Tallgeese accelerates and slices off the gun barrel of the laser
rifle and comes in with a combination that the Zero System can barely
dodge and counter attack.
>
"Fuses glow,
>Wounds festerin',
Till the wind comes up,
>and takes it to the last pow,"

>Wing Zero jet boosts its way through Tallgeese and melts some of the
Gundanium with the boost engine flame.

>"Back and forth,
Starin' at the wall,
>This room's a cage,
I know something's got to give now,"

>
Wing Zero flips around and throws the broken gun at Tallgeese,
watching in enjoyment as the gun explodes and he can proceed to cut
the Tallgeese in half.
>
"Someone said it's alright,
>Save it now, don't say it for my sake,
Someone said it's alright,

>Faster now, you know I got no brakes,"

>Heero smiles as he watches the clouds of smoke clear and Tallgeese
floats back to earth. "Mission: Accomplished."

>"No Brakes!
No Brakes!
>No Brakes!
No Brakes!"
